

"Countries of Conflict Accidental Death & Dismemberment Coverage"

Group accidental death or emergency medical evacuation insurance for groups who live or work in high risk countries! Yes, we cover war & terrorism.

The Facts

There are companies and mission organizations with people who live and work in some pretty dangerous places that simply aren't fully protected from their hostile surroundings.

That's where we come in to provide protection for such things as accidental death, emergency medical evacuation coverage – all with war and terrorism protection.

Your Market
