

Inbound Immigrant

Guaranteed issue international health insurance for recent immigrants and visitors to the US.

The Facts

Most domestic plans won't cover recent immigrants until they have established residency time.

For those immigrants over age 65, finding an affordable health plan is next-to-impossible, since Medicare won't cover them for five years!

The Inbound Immigrant plan is the solution.

Your Market

Inbound Immigrant is ideal for:

Non-US citizens traveling to or immigrating to the US. The plan must become effective within 24 months of arrival in the US.

This plan is available in all states.
