

Now Available!!!!
"Short-Term Major Medical"
Up to 364 Days!!!!

HIGHLIGHTS!

- Now your clients can purchase a full 364-day short-term plan. No more 90-day maximum time durations – see state listing below for exceptions!
- However, our Pivot also gives them other payment options including our *lower cost* 4X3 option where they get four 90-day sequential policies at the initial one-time enrollment – thus a total of four 90-day time frames (360 days protection). Each time they buy another 90-day term, pre-existing conditions are carried over from policy to policy! NO further applications must be completed & NO medical questions answered after the initial enrollment! This is called a 4X3 option. Premiums do NOT increase from 90-day term to 90-day term.

(Pre-existing conditions are those which first manifest themselves after the initial effective date of coverage on the first 90 day policy.)

Plus.....

- Optional Doctor co-pay benefits!
- Optional RX co-pay benefits!
- Optional Urgent Care co-pay benefits!
- Freedom of choice of any provider!
- A+ AM Best rated company!
- EZ ONE TIME on-line enrollment!
