Accidents and illnesses are impartial to your insurance status.

They can happen at any time—to anyone—and may cause serious financial hardship.

When life leaves you temporarily uninsured, the Secure Lite medical insurance plan helps protect you in the meantime. Secure Lite offers short-term coverage with affordable premium achieved through carefully selected benefit limitations. Coverage is available for 30 to 364 days.

Life changes

While the need for short-term coverage may be anticipated after college graduation, there are employment or life changes that also present the need for temporary medical insurance.

▸ Newly hired

Often, an employer-sponsored plan includes a waiting period before health insurance benefits begin, which means you will need coverage to bridge the gap.

▸ Between jobs

If you've recently been laid off or let go from your job, you may need coverage until you secure another position with benefits.

▸ Return from active military duty

Once you arrive home from active duty, Secure Lite provides coverage while you transition and look for employment with benefits.

Filling the gap

Coverage can begin as early as the day following your online application, if approved, and last up to 364 days. The maximum coverage period varies by state.

Secure Lite plan selections

All benefits listed apply per covered person, per coverage period. Refer to the descriptions below the chart for additional benefit details.

Office visit copay The number of copays available is determined by the selected plan duration. <ul style="list-style-type: none">▸ 1 copay for 30–90 days of coverage▸ 2 copays for 91–180 days (6 months) of coverage▸ 3 copays for 181–364 days of coverage	\$50 copay per visit
Deductible The selected deductible must be paid by the insured person before coinsurance benefits begin.	<ul style="list-style-type: none">▸ \$500▸ \$1,000▸ \$2,500▸ \$5,000
Coinsurance percentage and out-of-pocket After the deductible has been met, the Secure Lite plan pays the selected percentage of covered charges. The insured person is responsible for the remaining percentage of covered charges until the selected out-of-pocket amount has been reached. The out-of-pocket amount is specific to charges applied to coinsurance; it does not include the deductible.	<ul style="list-style-type: none">▸ 80% coinsurance Out-of-pocket:<ul style="list-style-type: none">▸ \$2,000▸ \$3,000▸ \$4,000▸ 50% coinsurance Out-of-pocket:<ul style="list-style-type: none">▸ \$5,000▸ \$7,500▸ \$10,000
Maximum benefit	\$750,000

Office visit copay

The \$50 copay applies to the physician's consultation charge. After the copay, the plan pays 100 percent of the consultation charge balance. Other covered services performed during the office visit are subject to deductible and coinsurance. Office visits above the allotted number based on coverage duration are subject to deductible and coinsurance.

Deductible

When three covered persons in a family each satisfy their deductible, the deductibles for any remaining covered family members are deemed satisfied for the remainder of the coverage period.

Coinsurance percentage and out-of-pocket

Once the deductible and coinsurance out-of-pocket amounts have been paid, additional covered charges within the coverage period are paid at 100 percent, up to the maximum benefit. The coinsurance out-of-pocket does not include any precertification penalty amounts or expenses not covered by the plan. Benefit-specific maximums may apply.

Payments to suit your situation

Secure Lite offers two options for premium payment: monthly or single. Payments may be made using check, money order, credit card or automatic bank withdrawal. If your need for coverage ends earlier than expected, simply send written notification. Monthly payment is available for up to 364 days.

If you know exactly how many days you need coverage, you can pay the entire premium up front at a reduced rate. Single payments can be made for a minimum of 30 days to a maximum of 180 days.

PPO networks

With a Secure Lite plan, you have access to discounted medical services through two national preferred provider organizations (PPOs). These network providers have agreed to negotiated prices for their services and supplies. While you have the flexibility to choose any health care provider, the discounts available through network providers for covered services will help to lower your out-of-pocket costs.

MultiPlan—www.multiplan.com

One of the nation's largest networks, MultiPlan has more than 650,000 providers in 50 states, including physicians, and inpatient and outpatient facilities.

ACS—www.anci-care.com

A comprehensive network of 38,000 ancillary service providers, ACS represents providers of outpatient services, including lab and diagnostic testing, but it does not include physicians.

To search for a network health care provider or facility, please visit the websites listed above. At the time of service, simply present your identification card, which will include the network information needed for the provider to correctly process covered billed charges.

MultiPlan and ACS are not affiliated with Standard Security Life Insurance Company of New York, nor are they part of this insurance plan.

Covered expenses¹

All benefits are subject to the selected plan deductible and coinsurance. Covered expenses are limited by the Usual, Reasonable and Customary Charge as well as any benefit-specific maximum. If a benefit-specific maximum does not apply to the covered charge, benefits are limited by the coverage period maximum.

Covered expenses include treatment, services and supplies for:

- ▶ Inpatient hospital regular care—up to \$1,000 per day; includes daily room and board and miscellaneous charges²

- ▶ Inpatient hospital intensive care or critical care—up to three times the average semi-private room rate with a \$1,250 maximum benefit per day; includes daily room and board and miscellaneous charges²
- ▶ Outpatient hospital surgery and ambulatory surgical center services—up to \$1,000 per day; includes cost of operating room and miscellaneous charges³
- ▶ Outpatient emergency room services—up to \$500 per day; includes the emergency room physician charge, 24-hour surveillance and miscellaneous charges³
- ▶ Inpatient physician visits—up to \$500 per hospital stay
- ▶ Surgical and anesthesiology services—up to \$2,500 per surgery with a \$5,000 maximum per coverage period
- ▶ Outpatient or physician office miscellaneous medical expense services—up to \$1,000 per coverage period
- ▶ Ambulatory services—up to \$250 per trip
- ▶ Organ transplants—up to \$150,000 per coverage period
- ▶ Acquired Immune Deficiency Syndrome (AIDS)—up to \$10,000 per coverage period³

² Miscellaneous charges include X-rays, scans, laboratory, blood, therapy, oxygen, casts, splints, medicines, injections, chemotherapy and medical supplies.

³ The AIDS maximum of \$10,000 per coverage period does not apply to Policies/Certificates issued to residents of AZ, CA, CO, DC, ID, MD, ME, MO or NC. The maximum benefit in KS is \$75,000 per coverage period.

Pre-existing condition limitation

Secure Lite will not provide benefits for any loss caused by or resulting from a pre-existing condition. A pre-existing condition is any medical condition or sickness for which medical advice, care, diagnosis, treatment, consultation or medication was recommended or received from a doctor within five years immediately preceding the covered person's effective date of coverage; or symptoms within the five years immediately prior to the coverage that would cause a reasonable person to seek diagnosis, care or treatment. The length of the pre-existing time period varies by state.

Usual, Reasonable and Customary Charge

The Usual, Reasonable and Customary Charge for medical services or supplies is the lesser of: a) the amount usually charged by the provider for the service or supply given; or b) the average charged for the service or supply in the locality in which it is received. With respect to treatment of medical services, usual, reasonable and customary means treatment that is reasonable in relationship to the service or supply given and the severity of the condition. In reaching a determination as to what amount should be considered as usual, reasonable and customary, we may use and subscribe to a standard industry reference source that collects data and makes it available to its member companies.

¹ Benefits may vary by state

Eligibility

Secure Lite is available to all members of Communicating for America, Inc. (CA) who are between the ages of 18 and 64, their spouse, and dependent children up to age 26.* Each applicant must be able to qualify based on the plan's application questions and underwriting guidelines. Child-only coverage is available for ages 2 through 18.

Effective date

Coverage begins as early as the day following your online application submission or the postmark date stamped on your envelope. You may request a later effective date up to 60 days after the application date. All coverage is subject to approval and payment of the first premium.

Right to return period

If you are not completely satisfied with this coverage and have not filed a claim, you may return the Policy/Certificate of Insurance within 10 days from the date received and receive a premium refund.

Precertification

You must notify the professional review organization 10 days prior to a nonemergency hospital admission or surgery and 48 hours, or as soon as reasonably possible, following an emergency admission to the hospital. Failure to precertify will result in a benefit reduction of 50 percent. Precertification is not a guarantee of benefits.

Coverage length

Secure Lite is specifically designed to fill a temporary insurance need. Coverage stops at the end of the period for which you apply. Depending on the payment option you select, coverage can continue for 30 to 364 days.

Continuing coverage

If your need for temporary health insurance continues, most states allow you to apply for another Secure Lite plan. Your application is subject to eligibility, underwriting requirements and state availability of the coverage.

The next coverage period is not a continuation of the previous period; it is a new plan with a new deductible, coinsurance and pre-existing condition limitation.

Coverage termination

Coverage ends on the earlier of the date: the premium is not paid when due; you enter full-time active duty in the armed forces; Standard Security Life Insurance Company of New York determines fraud or misrepresentation has been made in filing a claim for benefits. A dependent's coverage ends on the earlier of the date: your coverage terminates; the dependent become eligible for Medicare; or the dependent ceases to be eligible. Additional events or circumstances may cause coverage to terminate; refer to the Policy/Certificate of Insurance for complete details.

* CA membership requirement varies by state.
