Atlas plans provide great travel medical coverage with numerous benefits for either US residents traveling outside the USA or foreign nationals traveling outside their home country including to the USA.

Outstanding “international” health insurance protection.

Sales Recommendation

Clients can purchase with a future effective date and if they decide to cancel, a full refund is provided if request for cancellation is received before the effective date. The effective date is the date of travel, so there is no risk in buying early. Atlas = “Peace of Mind”.

We quote “international medical insurance” for just about anyone at any age traveling or moving in or out of the USA - We also quote trip cancelation, stand-alone “all the way home” emergency medical evacuation, worldwide accidental death, rescue, and recovery plus more!
