

Worldwide Accidental Death Insurance

Standalone accidental death insurance for individuals and groups with coverage anywhere in the world **including the USA.**

The Facts

Your clients may require a large amount of accidental death insurance over a short or longer period of time. At times, they may only need coverage for air travel, private piloting, hazardous activities or trips into war zones.

*If the worst should happen, **Worldwide Accidental Death Insurance** provides options your clients need with coverage and benefits exceeding most standard life insurance proceeds.*

Plan Highlights

- NO medical exams.
- \$100,000 to \$100 Million* for accidental death.
- Issues ages 18 to 79.
- Simple 1-page application.
- Plan includes accidental death plus optional dismemberment, permanent disability, and air travel only.
- Can be tailored to include: aviation, common carrier, motor racing, mountain climbing and more!
- Can cover worldwide and war zones.
- Quick quotes and great service.

*Benefits generally cannot exceed 10 times annual income.

† In New Jersey, all sales must be in excess of \$1,000,000.
